

New Patient

What can I expect when I come to Stone Barn Dentistry for my first visit?

Stone Barn Dentistry prides itself in providing quality, friendly service to all our patients. Your first visit will start with a friendly smile and greeting by our administrative team as you come in the door.

If you have not accessed our [New Patient forms](#) online, we will give you these to fill out when you get here. These are your medical and dental history, release of records which allows us to request previous radiographs and records from your prior office, and the personal/insurance information form.

A dental assistant will escort you to the exam room where they will take any needed radiographs and you will meet either Dr. Alyssa Daley or Dr. Kishore Damodaran. The dentist will spend a few minutes chatting with you about your dental history, concerns and goals. They'll perform a comprehensive exam that looks at your teeth, gums, and entire oral system from top to bottom. They will record your periodontal charting, then discuss their findings, answer any questions and recommend any additional treatment you may need to schedule for.

The assistant will then take you to meet your dental hygienist who will clean, polish and floss your teeth. When finished, the hygienist will schedule your next visit here at Stone Barn Dentistry. The hygienist will bring you back to the front desk where you are able to pay your bill and we can answer any remaining questions you may have. You will leave with a friendly *Goodbye*, a receipt for our services and your next appointment scheduled.

Insurance

Stone Barn Dentistry is “out of network” with all insurance companies. If you provide us with a copy of your insurance information, we would be happy to file claims for you so you are sure you’re getting the most from your insurance. We will do our best to answer any questions you might have about your coverage.

Stone Barn Dentistry wants to assist you in every aspect of your dental care. Filing your dental claims is no exception, we will be happy to assist you in filing your dental claims. We are “out of network” with all insurance companies due to the steep discounts and restrictions placed by insurance companies. These do not allow the doctors and their staff to provide you with the quality of care and level of service you deserve.. Your insurance policy is a pre-determined arrangement between your employer and the insurance company. We are not a party to that contract. Any services rendered in our office are ultimately the financial responsibility of the patient that receives treatment.

Payment Accepted

We accept all major credit cards including Visa, Mastercard, Discover and American Express. For your convenience we also accept Care Credit. Online bill pay is available when you go to www.stonebarndentistry.com to the “Patient Resources” tab.

Stone Barn Dentistry is also pleased to offer a 5% discount when services are paid in full on the day of service by **check or cash**.

Late Notice Cancellation and Failed Appointments

Stone Barn Dentistry is committed to quality and timely care for all of our patients. For that reason, we require patients to kindly give a 24-hour notice for any appointment cancellation or reschedule. If no notice is given, there may be a minimum charge of \$50 for the missed appointment. We hope you understand the importance of letting us know when you are unable to make your appointment. A missed appointment delays your care, and does not allow other patients the chance to be seen. Patients who miss three or more appointments without proper notification may be dismissed.

from the practice. We will provide 30 days of emergency care for those patients and can also assist in referring the patient to another reputable dental provider. We do realize that emergencies can happen and reserve the right to enforce this policy on a case-by-case basis for our patients.
